INFORMATION DISCLOSURE STATEMENT

Attached hereto is Form PTO-1449 listing documents believed relevant to the above identified application. It is respectfully requested that these documents be considered by the Examiner and placed of record in this application, and an initialed copy of the form be returned to the undersigned.

A copy of each reference is enclosed.

None of the references, alone or in combination, disclose a renewable energy flashlight powered by a magnet passing through a wire coil within a barrel disposed in a housing which also houses an electronics assembly having a capacitor for storing energy from the coil and an LED selectively powered by the capacitor, as is taught and claimed in this application.

Respectfully submitted,
S. Vektorino, J. Platt, and D. Springer
